Florida Ready to Work is a new employee credentialing program that is changing the way Florida businesses hire. The program is free to employers and jobseekers.

Florida Ready to Work tests job skills and work habits. It will help you identify which job applicants have the most potential. Florida Ready to Work jobseekers arrive ready to work with a Credential from the State of Florida that shows you what they can do. The program will also help you identify the skill gaps and build the skills of your current employees.

Florida Ready to Work gives participating employers a competitive edge:

- Reduces employee turnover
- Reduces employee training costs
- Saves hiring time and money, increasing productivity and profitability

You can use Florida Ready to Work to supplement your current employee assessments – for free! And you can use it as a tool to build the skills of current employees and to evaluate employees for promotion – for free!

The program is offered by high schools, regional workforce boards, community colleges, technical centers, and other workforce education partners statewide.
