Why Florida Ready to Work?

Nearly 90% of Florida's workforce leaders have said they have struggled to find qualified talent. More frequently than not, business leaders noted a

"lack of basic employability skills – punctuality, accountability, numeracy, and literacy – among the current talent pool."

Florida Workforce Needs Study 2.0

Florida Chamber of Commerce - 2024

Overview

- State-sponsored **career readiness training** and **credentialing solution**
- Research-based **soft skills, digital skills, and academic employability skills** that underpin all career pathways
- Delivered in partnership with high schools, adult education programs, technical schools, state colleges, apprenticeship programs, workforce boards, juvenile justice, corrections, employers, and other workforce education partners
- State funded – **FREE** for all implementation partners and students
- Administered by the Florida Department of Commerce
- Managed by WIN Learning, national career readiness solution company

Three stackable work readiness solutions:

Academic Employability Skills

3 Modules: Math, Reading, Data Literacy

Soft Skills

4 Modules: Communicating Effectively, Professionalism, Teamwork, Problem-Solving

Digital Skills

5 Modules: Computer Operations, Internet Browsing, Digital Communication, Digital Documents, Digital Security

Earning the Credentials

- Online Training
 - Each module takes 1 hour to 1.5 hours, includes pre-test & post test
 - Online Training is **Optional**
 - Supplement to in-person employability skills training you are doing
- Proctored Assessment
 - 1 hour online assessment / scored in real time
 - Maybe retaken as many times as the candidate needs
 - Virtual options are available

THREE Stackable Credentials – Flexible Program

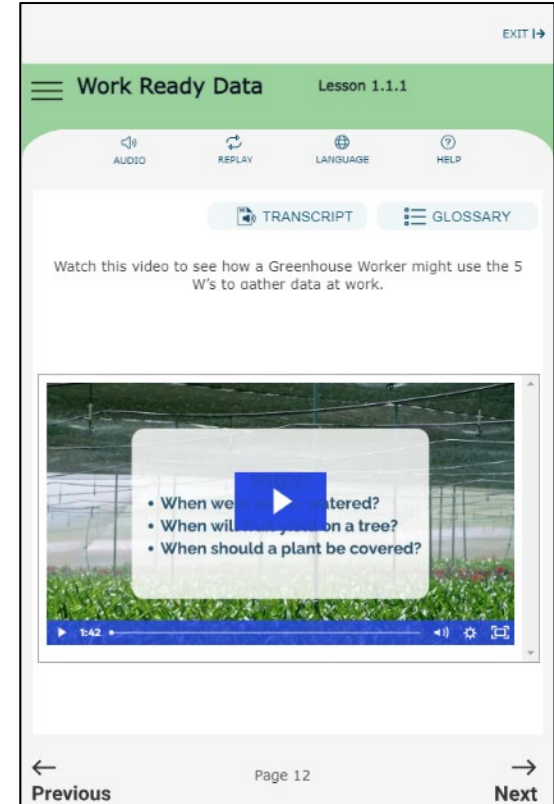

New Features

Academic Employability Skills Refresh

- Enhanced content with a deeper connection to O*NET Job Zones and Detail Work Activities;
- More robust and interactive learning components; and
- More modern user experience, including improved mobile responsiveness, navigation, and design.

Deeper Alignment to O*NET

- What is O*NET? And why is aligning with O*NET important?
- Every lesson includes at least 2 job zone aligned career spotlights
- Every lesson is taught in context of how the skill could be used on the job
- More content!

Each level aligns to an O*NET Job Zone.

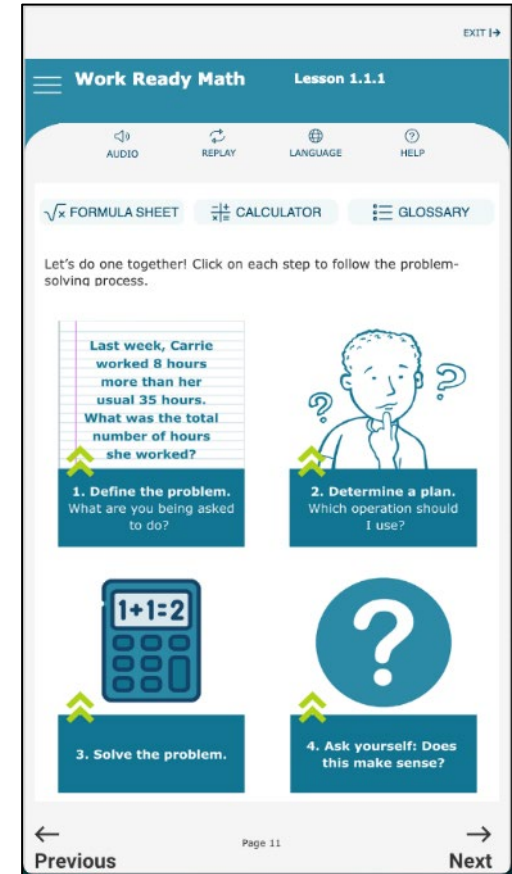

The skills and careers introduced in Work Ready Reading Level 1 are the same skills and careers included in O*NET Job Zone 1.
