## Digital Skills Training Updates Coming June 2025

We are excited to announce that next month, Florida Ready to Work, powered by WIN Learning, will be releasing an update to Digital Skills Training that includes several enhancements to improve the learner experience. Some of these updates include introductory videos for each module, interactive content, and an introduction to artificial intelligence (AI). The training will also feature a refreshed layout and navigation menu.

Look for more information about these updates in the coming weeks.

## Florida Ready to Work for SNAP E&T Participants

Florida Ready to Work empowers job seekers in economic self-sufficiency programs, like SNAP E&T and Welfare Transition, to prepare for the workforce. In March, representatives from CareerSource Northeast Florida and CareerSource South Florida shared how they are utilizing this training to fulfill program requirements and support job seekers in securing meaningful employment. We also discussed how Florida Ready to Work can be used for the required 'Job Search Training' and 'Education' activities for SNAP E&T / WT participants. To view the March webinar, click [here](#).

## Florida Ready to Work Webinars

Join us for our monthly implementation partner trainings. These sessions are designed for individuals interested in learning more about the Florida Ready to Work program and how to effectively use it with job seekers. It is also ideal for those looking to promote the program to employer partners. The webinar is held monthly on the last Wednesday of each month. Our next session is **Wednesday, May 28 at 11 a.m.** Register [here](#).
